Happy Holidays!

I hope you enjoy your three-month subscription to

Deistic Thought & Action!

Our ancestors celebrated the lengthening of the days, Winter Solstice, which promised Nature's continuation of life and progress! Starting in January you will receive *Deistic Thought & Action!* every month for three consecutive months. I hope you enjoy it and that it helps to bring to you, as Albert Einstein said, "a rapturous amazement at the harmony of natural law", which reveals an Intelligence of supreme superiority!
