

Protect Your Pocketbook and Your Dignity!

With the economy crumbling and unemployment rising we all need to do what we can to save money. Even more important than money, we need to protect our dignity! You may be a victim of an attack on both, your money and your dignity!

Rabbis are taking money from you and you may not even be aware of it. The rabbis charge food companies to put their kosher stamp on their products and the companies pass that overhead on to you, the consumer. The kosher stamp is to let those who want to buy kosher know that the product has been prepared according to Jewish dietary laws. Most people couldn't care less if their food is in accord with Jewish laws and therefore should not have to pay the extra cost. To see if you've been taken by this "revealed" religious scam, check your cabinets and refrigerator for items marked with a **K** or a **U** on them. Sometimes they are in a circle or a triangle. And some non-food items such as dish soap, aluminum foil, etc. have the kosher stamp on them! See the images below.

People who don't believe in a particular religious belief should not have to finance that religion. When you buy products with the kosher stamp on it that is exactly what you're doing – financially supporting self-proclaimed Jewish holy men!

It's time people free themselves from the costly "revealed" religions! It's time to put God-given reason above manmade superstitions and myths! It's time for Deism! Deism is belief in God based on the application of our reason on the designs found in Nature. Deists believe the designs point us to the Designer. **To learn more about Deism visit us at www.deism.com or write us at: World Union of Deists, Box 4052, Clearwater, FL 33758 – USA.**
